AMENDED IN SENATE MARCH 29, 2005

SENATE BILL

No. 564

Introduced by Senator Torlakson

February 18, 2005

An act to amend Section 30166 of, and to add Article 4 (commencing with Section 30133) to Chapter 2 of Part 13 of Division 2 of, the Revenue and Taxation Code, relating to taxation, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

SB 564, as amended, Torlakson. Cigarette and tobacco products taxes: California Healthy Children Trust Fund.

(1) The Cigarette and Tobacco Products Tax Law imposes a tax on every distributor of cigarettes and tobacco products at specified rates, including additional taxes imposed under the Tobacco Tax and Health Protection Act of 1988 (Proposition 99), and the California Families and Children Act of 1998 (Proposition 10).

This bill would, commencing January 1, 2006, impose an additional tax on the distribution of cigarettes at the rate of \$0.05 for each cigarette distributed. The revenues collected from these additional taxes would be deposited in the California Healthy Children Trust Fund that would be created by this bill.

This bill, for the 2005-06 fiscal year and each fiscal year thereafter, would continuously appropriate the moneys in the California Healthy Children Trust Fund, as provided. The bill would also require that, for the 2006-07 fiscal year and each fiscal year thereafter, a prescribed amount of moneys from the fund be deposited in the Cigarette and Tobacco Products Surtax Fund, the Breast Cancer Fund, and the California Children and Families Trust Fund, to reimburse any losses

that occur as a result of the imposition of the tobacco products tax that would be established under the bill.

(2) Existing law requires that stamp and meter register settings be sold at their denominated values, less 0.85%, to licensed distributors.

This bill would exclude from that provision the additional taxes on cigarettes and tobacco products proposed by this bill.

(3) By imposing a new tax, this bill would result in a change in state taxes for the purpose of increasing revenues within the meaning of Section 3 of Article XIII A of the California Constitution, and thus would require for passage the approval of $\frac{2}{3}$ of the membership of each house of the Legislature.

Vote: $\frac{2}{3}$. Appropriation: yes. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Article 4 (commencing with Section 30133) is
2 added to Chapter 2 of Part 13 of Division 2 of the Revenue and
